*The Whitehorse Health Centre will resume normal operations on November 9th; however, the H1N1 and seasonal flu vaccines will NOT be available there until November 16th. During the week of the 9th please go to the Canada Games Centre for your vaccinations.

PREGNANT? The unadjuvanted H1N1 vaccine has arrived in Yukon and is available to **pregnant women only** who have not yet been vaccinated and who prefer or have been advised to take this product. Unadjuvanted clinics in Whitehorse will be announced shortly. In all other Yukon communities please contact your local community health centre for unadjuvanted clinic information.

For more information about the flu and vaccinations,
visit www.fightflu.ca, www.hss.gov.yk.ca or call **811**.
